Now you can pay for college the smart way through Sallie Mae!

Three ways to pay...

Interest Repayment

Full interest payments while in school. Students can build credit and avoid interest capitalization.

Fixed Repayment

Payments of \$25 a month while in school. Students can build credit and manage their budget.

Deferred Repayment

No Payments required while in school. Students are encouraged to make small payments when possible.

Visit www.bmcu.org and click on the Sallie Mae link to get started today!

Congratulations to Carrie Handy for being the winner of April's cash drawing! Travel Tip: Please notify the credit union if you will be traveling with your debit card or credit card this summer. We will provide this information to the fraud company.
